WRITE THE VISION

BEHOLD I MAKE ALL THINGS NEW

NOVEMBER 2020

VOLUME 4

ARE YOU READY FOR THE RAIN?

by NICOLE DE COTEAU

Hello to my beautiful sisters, I decided to make this newsletter a more personal one this month. I want to challenge you as we have now entered into November, to position yourself for the new thing that God wants to do in your life. We have all come to the understanding that this year has been a tough year for all of us. But I want you to not focus on what the enemy has tried to do but to position your heart and mind to receive a fresh outpouring from God. Take some time even after you read this letter and sit with the Father. Ask him to reveal his plans for you before the year is over. I firmly believe God wants to do something radical in the lives of his children, but the question is, will you position yourself for the rain?

WRITE THE VISION

I will pour on those who are ready!

I want to challenge you to not give up on your dreams. God is not a man that he should lie; neither will his words fall to the ground. Remember, God's word must accomplish what it says concerning you. Make sure to write the vision down and make it plain. It is important that you pray for the vision and the purpose for your life. The Lord gave me a vision years ago about daddy's little butterflies, and it was in one of the most painful seasons of my life that God told me to start pushing this baby out.

I am telling you this today so that you would understand that even in the hard time's Gods plans for your life will still prevail. Some of you have given up on your dreams this year because of what you have faced. The mind battles have been real and the discouragement even more painful.

My heart for you today, daughters of God, is that you would keep going, keep trusting God despite what you see before you. Purpose in your heart to run after God with all that you have. Our time of revealing is near; the earth cries out for the manifestation of the sons of God. Will you be ready?

And the LORD answered me:
“Write the vision;
make it plain on
tablets, so he may
run who reads
